

Notes

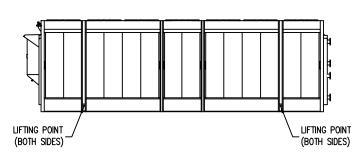

- 1) All dimensions are in feet and inches. Weights are in pounds and include options and accessories.
- Dimensions showing locations of coil & basin connections are approximate and should not be used for prefabrication of connecting piping.
- 3) For weight loadings and support requirements, refer to the suggested steel support drawing.
- 4) The area above the fan discharge must not be obstructed.
- 5) Field piping must not be supported by the unit inlet or outlet connections.
